# THE COLLEGE EMBLEM

he Emblem of this college is a pictorial representation of its holistic vision which corresponds with the educational policy of the Carmelites of Mary Immaculate (CMI), the first indigenous religious congregation to whose pioneering efforts and sustained support this institution owes its genesis and progress. The crown at the apex is an archetypal symbol of authority and victory, and hence suggestive of this institution's commitment to 'empowerment through education' and of its optimism about the ultimate

victory over all forces of darkness. The lily on the top left panel, a symbol of purity, stands for the Patron of this College, St. Joseph, Christian tradition has it that the dry twig in St. Joseph's hand flowered forth, and hence the flowery twig carries the additional suggestion of the founding fathers' dream of an intellectual, spiritual and cultural efflorescence in Malabar, and by extension. everywhere around. On the spiritual level, the open book on the top right panel stands for God and the Sacred Scripture, the Alpha and Omega of wisdom, the be-all and end-all of life, and articulates the message that the fear of God is the beginning of wisdom. On the temporal level, the book stands for knowledge, the dissemination of which is the short-term objective of this institution. The sea and the ship on the bottom left panel have multiple layers of meaning: the blue sea suggests the deep and boundless expanse of knowledge and the ship implies the deliberate and tenacious effort to explore it and reach a desirable destination. The anchor, which has its ring on the spiritual upper half of the Emblem and its flukes overlapping onto the sea and the land on the temporal lower half, high-lights the need to hold on to hope and faith in order to unify temporal and spiritual dimensions to overcome the turbulence of the sea. The virgin soil and the sturdy tree symbolise God's bounty and support to man. The tree supports the vine that hopefully depends on it and ena-bles it to grow up and bear fruit as God protects and blesses the faithful. Also, the ship and the vine suggest the agricultural and industrial sectors of the economy for the balanced growth of which this institution intends to contribute. The motto. 'Pro Deo Et Patria' (For God and country), inscribed at the bottom of the emblem, is a concise Latin rendering of this institution's commitment to the Creator and the 0 fatherland

#### CMI EDUCATION POLICY STATEMENT

e, the Carmelites of Mary Immaculate, after the example of our founder St. Kuriakose Elias Chavara, consider education integral to the formation of the human person for the fulfilment of his/her indi-vidual and social responsibilities.

Our educational endeavours aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable; who will champion the cause of justice, love, truth and peace and who are ever open to further growth. The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and humane in dealings, and who grow in the true vision of education.

We aspire towards creating a just and humane society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national integration is upheld, and where the poor and the marginalised are specially taken care of.

We have to reach out to the families, primarily of the students, to assist them in their needs, to share in their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension of their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and His Gospel. Being institutions established by and for a minority community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian youth.

Our institutions have to be open to society at large by making their resources available for the ongoing education and non-formal teaching.

For the realization of this CMI goal of education, we expect students, parents and teachers to share this vision and to cooperate with us whole-heartedly.

# UGC GUIDELINES ON INTERNAL QUALITY ASSURANCE CELL (IQAC)

"Every higher education institution (HEI) should have an internal quality assurance system with appropriate structure and process and with enough flexibility to meet the diverse needs of the stakeholders. The internal quality assurance mechanism of the institution may be called 'Internal Quality Assurance Cell' (IQAC). The IQAC is meant for planning, guiding and monitoring quality assurance and quality enhancement activities of HEIs.

The IQAC may channelize and systematize the efforts and measures of an institution towards accademic excellence. It should not be yet another hierarchical structure or record-keeping exercise in the institution; it would be a facilitative and participative organ of the institution. The IQAC should become a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality.

The IQAC shall be constituted under the chair manship of the head of the HEI. He/She may be assisted by a Director (in case of a university) or a Co-ordinator (in case of a college) who shall be a senior faculty member. This position may be held as an additional charge by the faculty member concerned, or a new position of a full time Director/Co-ordinator may be created and a person is selected and appointed or a senior faculty member is posted by redeployment."

Court Verdict Banning Political Activities on the Campus Judgement No. WA-535/2003 dated 26-5-2003 by the Honourable High Court of Kerala

"Managements and the Principals of various colleges maintain the stand that they have got a fundamental right to establish and administer educational institutions under article 19 (1) (a) of the Constitution of India to lay down regulatory measures in the administration of their educational institution and that the students' organisations like SFI, ABVP, KSU etc. have no legal right to interfere with the rights guaranteed to the management under article 19 (1) (a) of the Constitution of India."

"We are of the view that banning political activities within the campus and forbidding the students from organising or attending meetings other than the official ones within the campus is not designed to prohibit any of the fundamental rights of the students guaranteed under article 19 (1) (a) or 19 (1) (c). It is not a total prohibition of any fundamental right, but only reasonable restriction confined to college campus and the code of conduct cannot be flouted in the name of any other freedom or the rights guaranteed under article 19 (1) (a) or 19 (1) (c). Restrictions are only reasonable and designed to promote descipline in the educational institution so that the objectives of the educational institution could be achieved and wisdom of laying down those restriction cannot be challenged by the student after getting admitted to the educational institution."

"The Kerala University Act, Statutes, Ordinances and other legislations governing the affiliated colleges and the educational agencies or the State Government have not recognised SFI, KSU, ABVP, AISF, NSC, MSF etc. Organisations like SFI, KSU, ABVP, AISF, NSC, MSF etc. are separate legal entities and there is no legal relationship between them and the manage-

ment of an educational institution or the State Government. They have no funda-mental or other statutory rights to carry on their organisational activities within the premises of an educational institution established and administered by various educational agencies in the State as well as the State Government".

"The High Court of Kerala had recorded the affidavit filed by the Principal Secretary to the Educational Department in the Judgement of the Hon'ble Mr. Justice K.S. Radhakrishnan and the Hon'ble Mr. Justice K. Padmanabhan Nair, on Friday the 15th December 2006 - WP (C) No. 22222 of 2006 (U).

"Measures suggested by the State Government are to be welcomed while upholding the right of the managements to stall organisational activities of students organisations like SFI, ABVP, KSU etc. directly or through their member students within the campus. Strike, Dharna, Gherao etc. indulged in by students within the campus can also be prevented and State Government and Universities have got a legal obligation to protect the rights of not only the management, Principals and the teaching faculty of the affiliating colleges but also that of Government owned colleges and educational institutions and to take appropriate measures to enforce those rights."
