

ST. JOSEPH'S COLLEGE (AUTONOMOUS), DEVAGIRI

A Distinctive Feature of the Institution - 2019 - 2020

Holistic and Inclusive Education

The vision of the college is to mould generations who are excellent in every aspects of life. This vision does not allow us to confine education into a class room learning process alone. The goal of education for this temple of learning is to render holistic education to our students. As an institution which always upholds its motto as '*Pro Deo Et Patria*' (for God and for the Country) it always pays greater attention to the last, least and the lost. In addition to the learning based on the Curriculum, college offers a number of platforms to nurture the skills of students in various areas while extending all-round support to the weaker sections.

The following Skill Development Courses were offered for the students for free of cost during the Academic Year. i) Training in plant propagation, ii) Training in ornamental fish farming, iii) Learning French & German languages, iv) SSB training, v) Employability enhancement programmes and vi) course on statistical data analysis

A couple of Scholarships started during this academic year. Scholar ships were awarded to i) research scholars and ii) Students from other states of India or from SAARC countries. A management scholarship was also started during this year. Financial support is extended for i) Invited talks, ii) regional/national/international seminars and iii) regional/national/international workshops

Full financial support is awarded to students/teachers/research scholars who receive an invitation for presenting a paper in an international seminar/conference.

Devagiri Incubation & Start-up Cell – DISC: Under this scheme MoU's are arrived with various institutions and agencies

Placement cell: Various institutions and recruiting agencies are invited to the campus for recruiting students. Training programmes were continuously arranged for students to equip them for effectively facing the interviews.
