St. Chavara Kuriakose Elias (1805-1871)

Founder, CMI Congregation

Saint Chavara was a social reformer, an educationist, a social entrepreneur and a prolific poet. He deserves a place in the pantheon of socio-religious reformers. Millions, irrespective of caste and creed, benefited from his work, which triggered a social, cultural and intellectual awakening in Kerala.

Saint Chavara was a pioneer of educational reforms. When education was the privilege of the social elites, his Pallikkoodam Movement enabled universal access to education. He ordered that schools be set up on all church premises and threatened to close down those that failed to comply. He took special initiative for the education of the Dalits. In 1846, Saint Chavara established in Kerala a Sanskrit school that enabled ordinary people to study. He was a true Karma Yogi who worked tirelessly to liberate people from the tyrannies of ignorance, poverty and sickness.

The first indigenous Catholic religious congregation for men, the Carmelites of Mary Immaculate (CMI), founded in 1831 by Saint Chavara, ensures the service of dedicated and highly skilled personnel at the academic and administrative levels in the educational institutions ranging from playschools to professional colleges spread across the country. St. Joseph's College, Devagiri is an institution managed by the CMI congregation which continues to pursue the vision of universal and affordable education upholding the teachings of Saint Chavara.

CMI Education Policy Statement

We, the Carmelites of Mary Immaculate, after the example of our founder St. Kuriakose Elias Chavara, consider education integral to the formation of the human person for the fulfilment of his/her individual and social responsibilities.

Our educational endeavours aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable; who will champion the cause of justice, love, truth and peace and who are ever open to further growth. The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and humane in dealings, and who grow in the true vision of education.

We aspire towards creating a just and humane society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national integration is upheld, and where the poor and the marginalised are specially taken care of.

We have to reach out to the families, primarily of the students, to assist them in their needs, to share in their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension of their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and His Gospel. Being institutions established by and for a minority community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian youth. Our institutions have to be open to society at large by making their resources available for the ongoing education and non-formal teaching.

For the realization of this CMI goal of education, we expect students, parents and teachers to share this vision and to cooperate with us wholeheartedly.

The College

Introduction

Envisioned by the CMI Congregation and established in 1956, St. Joseph's College, Devagiri, is a Christian minority institution affiliated to the University of Calicut. The college was recognised as a “College with Potential for Excellence” by the University Grants Commission in 2010 and 2014. In 2016, Devagiri won the coveted title, “the first college in the country to get A++ grade”, under the latest grading pattern of NAAC by scoring 3.76 out of 4 in the third cycle of accreditation. Devagiri secured 74th position in the NIRF ranking in 2025. The college secured 3.65 out of 4 in the fourth cycle of accreditation and 4th position in the KIRF ranking in 2024. With 8 Research Centres, 13 Post-Graduate Programmes, 25 Under-Graduate Programmes and more than 50 certificate/value-added courses, this institution maintains its reputation for diversification. Within the span of sixty-nine years, this institution grew as one of the prestigious colleges in India. It has at present more than 3800 students studying in various disciplines. It has the strength of more than 180 teaching and 100 non-teaching staff.

Location and the Campus

The college is situated on a small hill of scenic beauty known as ‘Devagiri’, which means the ‘Hill of God.’ The campus is located about six kilometers away from the heart of Calicut city and is opposite to Calicut Medical College. The campus spreads across sixty acres of land covered with shady trees. Other than the college, there are five other Devagiri institutions on the campus: three aided schools, one unaided school, and one for the differently abled. There are also hostels for boys and girls, staff quarters, a chapel, an open-air theatre, a playground with eight-lane running tracks, indoor stadium and fields for games, gymnasium and several other facilities.

Our Vision

- To form leaders who are intellectually competent, spiritually mature, morally upright, psychologically acceptable, who will champion the cause of justice, love, truth and peace and who are ever open to further growth.
- To create a just and humane society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national integration is upheld and where the poor and the marginalized are specially taken care of.

Our Mission

- To build up a community of staff and students committed to the common pursuit of truth and moral excellence.
- To help students achieve self-discipline, cultivate good habits and become open to the Spirit.
- To train students in clarity of thought and accuracy of expression and develop in them leadership qualities.
- To promote a healthy modern outlook among the students while drawing inspiration from ancient cultural heritage and tradition.
- To become an instrument of social change and force for integration among linguistic, religious and caste groups and inspire young men and women to eradicate social evils.
- To instill in the students a sense of responsibility to the nation and ensure their creative involvement in building up a new India.

Our Motto

The motto of the institution *Pro Deo et Patria* (For God and Country) aims to promote righteousness and goodness for our country.

The College Emblem

The Emblem of this college is a pictorial representation of its holistic vision which corresponds with the educational policy of the Carmelites of Mary Immaculate (CMI), the first indigenous religious congregation to whose pioneering efforts and sustained support this institution owes its genesis and progress. The crown at the apex is an archetypal symbol of authority and victory, suggesting this institution's commitment to 'empowerment through education' and of its optimism about the ultimate victory over all forces of darkness. The lily on the top left panel, a symbol of purity, stands for the Patron of this College, St. Joseph. Christian tradition has it that the dry twig in St. Joseph's hand flowered forth, and hence the flowery twig carries the additional suggestion of the founding fathers' dream of an intellectual, spiritual and cultural efflorescence in Malabar, and by extension, everywhere around. On the spiritual level, the open book on the top right panel stands for God and the Sacred Scripture, the Alpha and Omega of wisdom, the be-all and end-all of life, and articulates the message that the fear of God is the beginning of wisdom. On the temporal level, the book stands for knowledge, the dissemination of which is the short-term objective of this institution. The sea and the ship on the bottom left panel have multiple layers of meaning: the blue sea suggests the deep and boundless expanse of knowledge and the ship implies the deliberate and tenacious effort to explore it and reach a desirable destination. The anchor, which has its ring on the spiritual upper half of the Emblem; its flukes overlapping onto the sea and the land on the temporal lower half, highlights the need to hold on to hope and faith in order to unify temporal and spiritual dimensions to overcome the turbulence of the sea. The virgin soil and the sturdy tree symbolise God's bounty and support to man. The tree supports the vine that hopefully depends on it and enables it to grow up and bear fruit as God protects and blesses the faithful. Also, the ship and the vine suggest the agricultural and industrial sectors of the economy for the balanced growth to which this institution intends to contribute. The motto, 'Pro Deo et Patria' (For God and country), inscribed at the bottom of the emblem, is a concise Latin rendering of this institution's commitment to the Creator and the fatherland.

Four Year UG Programmes (FYUGP)

Four Year UG Programmes (FYUGP) is implemented from 2024 admission onwards. In FYUGP, a “Degree Programme” (formerly known as “Degree Course”) will have different types of “Courses” (formerly known as “Papers”) such as Major courses (formerly known as Main or Core courses) and Minor courses (formerly known as Subsidiary or Complementary courses). In addition to major and minor courses (which are collectively known as Discipline Specific Pathway Courses) there are general foundation courses. They are Ability Enhancement Courses (AEC), Multi- Disciplinary Courses (MDC), Skill Enhancement Courses (SEC) and Value-added Courses (VAC). Major and minor courses are of four credits each and the general foundation courses are of three credits each.

In FYUGP, students have three options.

1) UG Degree

Students who choose to exit after three years (six semesters) acquiring a minimum of 133 credits by successfully completing all the required minimum courses shall be awarded UG Degree. They can do two-year PG programme.

2) UG Degree (Honours)

Students who acquire 133 credits in three years can proceed to the 4th year for UG Degree (Honours). UG Degree (Honours) shall be awarded to students who complete the four-year UG programmes with a specific number of courses of minimum 177 credits, including 8 credits from an optional project/dissertation. They can do one year PG programme.

3) UG Degree (Honours with Research)

Students who secure 133 credits with 75% marks and CGPA 7.5 and above cumulatively in the first six semesters are eligible to get selected to Honours with Research stream in the 4th year. UG Degree (Honours with Research) shall be awarded to students who complete the 4-year UG programme with a specific number of courses of minimum 177 credits, including 12 credits from a mandatory research project/dissertation in the 4th year. They can opt for one year PG programme or can directly join Ph.D. programme.

In FYUGP there are five academic pathways.

1) Single Major Pathway

A student has to acquire 68 credits in three years and 100 credits in

four years from the major discipline. Remaining credits may be acquired either from the same Major or other disciplines. There is no specific minor discipline.

2) Major with Multiple Discipline Pathway

A student has to acquire 68 credits in three years and 100 credits in four years from the major discipline. 12 credits each from two minor disciplines in 3 – year and an additional 12 credits from any discipline in the 4th year.

3) Major with Minor Pathway

A student has to acquire in three years, 68 credits from the major discipline and 24 credits from a minor discipline, and in four years, 100 credits from the major discipline and 32 credits from the minor discipline.

4) Major with Vocational Minor Pathway

In this pathway the minor courses are from a vocational discipline. Credit requirement for major and minor disciplines is the same as those for the major with minor pathway.

5) Double Major Pathway

This pathway is composed of two major disciplines A and B. In three years, a student has to acquire 50% credits (68 credits) from the first Major (A1 or B1) and 40% credits (53 credits) from the second Major (A2 or B2). There can be A1 B2 or B1 A2 combinations. In this pathway the general foundation courses, except AEC, will be distributed between the two major disciplines.

The double major pathway is not extended to the fourth year. In the fourth year, the student can continue to earn the required credits in either Major A or Major B to qualify for a UG degree (Honours) / UG Degree (Honours with Research) in A or B.

Flexibility

Students will be admitted to a major discipline in a preferred (or default) pathway. After getting admission, students can change their minor(s) and academic pathway, provided seats are available in the minor discipline of the student's choice.

At the end of the second semester, students are permitted to switch their major, minor and the academic pathway. Students can shift the major discipline to another discipline in which they have earned at least 4 credits as a minor discipline. There will be a selection procedure for this switching.

Each programme will have 3-year Degree, 4-year Degree (Honours) and 4-year Degree (Honours with research). (The double major pathway is not extended to the fourth year)

All departments in the aided stream of St. Joseph's College (Autonomous), Devagiri are eligible to offer Degree (Honours with Research) programme.

Attendance: Minimum 75% attendance is required to appear for the end semester examination. Benefits of attendance may be granted to students who attend the approved curricular/extracurricular activities of the college/university with the prior concurrence of the Head of the institution (maximum 9 days in a semester). To get this benefit students have to apply through the teacher-in-charge of the activity.

Condonation of shortage of attendance: Condonation of shortage of attendance to a maximum of 10% in the case of single condonation and 20% in the case of double condonation in a semester can be granted by the Principal. For this, students have to apply in the prescribed format and remit the required fee. Students can avail of condonation of shortage of attendance in a maximum of four semesters during the entire programme (Either four single condonations or one double condonation and two single condonations). If the attendance is 50% or above but below the condonable limit, the student cannot appear for the examination but can move to the next semester. In that case, a provisional registration is needed. Such students can appear for supplementary examination for that semester after the completion of the programme. Less than 50% attendance requires readmission. Readmission is permitted only once during the entire programme.

Evaluation: Each course is evaluated by 10-point indirect grading system (For BCom Professional & BBA Honours 7 Point indirect grading system). Indirect grading means, grade is given based on the range of mark obtained. Evaluation has two parts 1) Internal Assessment (20%) and 2) External Assessment (80%).

Internal Assessment: Internal Assessment is done by the course teachers based on predetermined transparent criteria involving test papers, assignments, seminars, attendance etc. In case of grievances, the students should report to the class teacher within three days of publishing the internal marks in the students' portal.

External Assessment: External Assessment is based on end semester examinations conducted by the college. There will be end semester examination at the end of each semester. Notification of this examination will be published one month before the examination in the college website and on the college notice board. Notification contains details of fee remittance, dates for registration, downloading the hall ticket, commencement of examination etc.

Students can register for the examination through the student portal in the college website with the user ID and Password given. Required fee is to be paid online.

Hall Ticket can be downloaded from the date given in the notification up to the date of commencement of the examination. Students have to make sure that the name in the hall ticket is correct. If there is any change, they should contact the office of the Controller of Examinations.

Time table will be published at least two weeks before the commencement of examination.

Students should occupy their seats in the examination hall at least 10 minutes before the start of the examination. Students should bring their hall ticket and ID card. Malpractice of any kind is strictly forbidden.

Answer scripts are valued in the valuation camps by teachers. Chief examiners from other colleges will revalue a certain percentage of the answer sheets and scrutinize all the answer sheets.

Practical examinations are scheduled by the Departments concerned and conducted by external examiners.

Results will be published within a few weeks after the completion of the examinations. Students can view the results through the student portal using their user ID and Password.

Revaluation/Scrutiny/Photocopy: Students can apply for Revaluation/Scrutiny/Photocopy within 10 days from the date of publication of the results. Required fee is to be remitted (All exam related fees are non-refundable).

Pass conditions for courses: In the case of common, core, complementary and open courses, for a pass, minimum P grade (35% marks) is required when external and internal marks are put together. A minimum of 20% marks for external is also needed for a pass. There is no separate minimum for internal. Students need attain only pass (Grade P) for audit courses.

Extra Credits: Extra credits are mandatory for the programme. 4 extra credits will be awarded to students who participate in activities like NCC, NSS and Swachh Bharat. Those students who could not join in any of the above activities have to undergo 12 days social service programme.

“We are of the view that banning political activities within the campus and forbidding the students from organising or attending meetings other than the official ones within the campus is not designed to prohibit any of the fundamental rights of the students guaranteed under article 19 (1) (a) or 19 (1) (c). It is not a total prohibition of any fundamental right, but only reasonable restriction confined to college campus and the code of conduct cannot be flouted in the name of any other freedom or the rights guaranteed under article 19 (1) (a) or 19 (1) (c). Restrictions are only reasonable and designed to promote discipline in the educational institution so that the objectives of the educational institution could be achieved and wisdom of laying down those restrictions cannot be challenged by the student after getting admitted to the educational institution.”

“The Kerala University Act, Statutes, Ordinances and other legislations governing the affiliated colleges and the educational agencies or the State Government have not recognised SFI, KSU, ABVP, AISE, NSC, MSF etc. Organisations like SFI, KSU, ABVP, AISE, NSC, MSF etc. are separate legal entities and there is no legal relationship between them and the management of an educational institution or the State Government. They have no

fundamental or other statutory rights to carry on their organisational activities within the premises of an educational institution established and administered by various educational agencies in the State as well as the State Government”.

“The High Court of Kerala had recorded the affidavit filed by the Principal Secretary to the Educational Department in the Judgement of the Hon’ble Mr. Justice K. S. Radhakrishnan and the Hon’ble Mr. Justice K. Padmanabhan Nair, on Friday the 15th December 2006 - WP (C) No. 22222 of 2006 (U).

“Measures suggested by the State Government are to be welcomed while upholding the right of the managements to stall organisational activities of students’ organisations like SFI, ABVP and KSU etc. directly or through their member students within the campus. Strike, Dharna, Gherao etc. indulged in by students within the campus can also be prevented and State Government and Universities have got a legal obligation to protect the rights of not only the management, Principals and the teaching faculty of the affiliating colleges but also that of Government owned colleges and educational institutions and to take appropriate measures to enforce those rights.”
